

The Human + AI Advantage — Strolid 2025

Strong Process. Solid Results.

Always on. Always accountable. Always in control.

The New Reality of Automotive Retail

- Shoppers now expect **instant replies 24/7** — whether it's chat, text, or phone.
 - 42% of buyers expect a response within **15 minutes** of submitting a lead (Autotrader).
 - Over **60% of vehicle shoppers call** the dealership before visiting (Invoca).
> If you're not answering around the clock, your competition is.
-

Why 24/7 Coverage Matters

Traditional store hours: 9 a.m.–7 p.m.

Customer hours: 24 / 7 / 365

- 35% of web leads and calls come **after normal hours**.
 - Missed after-hours leads cost dealers thousands monthly.
 - > “Your customers never stop shopping. Neither should your coverage.”
-

The Hybrid Approach: Human + AI

AI Strengths

Instant response

Lead triage & routing

Summaries & data
consistency

Signal detection (intent, tone)

Human Strengths

Emotional intelligence

Relationship & trust

Negotiation &
empathy

Conversion & loyalty

“AI handles the rhythm. Humans handle the relationship.”

How It Works at Strolid

- 1 AI detects and routes every inbound interaction in real time.
- 2 Human agents engage immediately with empathy and context.

- ③ Every conversation is logged, summarized, and searchable.
- ④ Dealers receive instant alerts through **Signals**.
- ⑤ All data visible in the **Strolid Portal + DSearch GPT**.

Fast. Human. Documented. Measurable.

The Control Dealers Deserve

- Dealers worry that outsourcing means losing control.
 - With Strolid, you gain **more control than ever**:
 - Real-time dashboards (Calls | Chats | Texts)
 - Instant search across every interaction
 - Alerts when customer intent or issues appear
 - Transparent data ownership — it's *your* data.
> “Control isn’t lost — it’s upgraded.”
-

Results That Matter

Metric	Before Strolid	With Strolid Human + AI
Response time	9 hrs avg	< 5 min
Call logging	21%	80–90%
Show rate	48%	62%
Dealer visibility	Limited	Full, real-time

Real people + real data = real results.

Human + AI in Action

Example: Late-night shopper submits a lead.

- 11:03 PM → AI: Instant greeting + info.
- 11:04 PM → Human: Personal response, confirms appointment.
- 11:05 PM → CRM: vCon summary + alert in portal.
- Next morning: Manager views full conversation via DSearch GPT.

“From opportunity to appointment — all in 5 minutes or less.”

Dealer Partnership Promise

You stay in control:

- Transparent reporting ✓
- Measurable KPIs ✓
- Shared visibility ✓
- No surprises ✓

“We don’t replace your people — we empower your process.”

Call to Action

1. **Stay Open.** Meet customers on their time.
2. **Stay Human.** Let empathy close the sale.
3. **Stay In Control.** See every interaction, every signal, every result.

Strong Process. Solid Results.
